NISHA

"Ohh..they both were kinda.. dating..par then he didn't like her not giving him time.. cause she had many other things going on in her life..he didn't like that..unke beech ladai hua and then they broke up..plus he didn't even come back for her..she even was ready to patch up if he did."

"What do you mean..."

AMAN

"This needs some time and space!"

DIA

"Are you try-"

"Exactly..that's why I wanna get back to reality...I need to really love you!"

DIA

"Then after it was nothing!"

AMAN

"Dekho Dia..ye ek tarfa pyaar mein na hum ladke ek apne alag duniya bana dete hai ek alag characteristics dete hai...she is this,she is that,she'll like this,woh hoga,ye hoga..par when you actually..when you be with that person you get to know the thick and thin of the person.."

AMAN(CONTD)

"I..when I got to know you I found how much I really loved you..but then the reality some what isn't as we expect right..that's why people always have a checklist of what qualities they want in their partner,how he must look!"

DIA

"Jao..it needs some time.. eventually it will be alright!"

AMAN

"Yes.It will.it will"

ABHINAV(V.O)

"This happened in 2027 now's it's 2030..so yeah"
